## SOFTWARE ENGINEER

I am passionate about software development and engineering. I have a strong foundation in designing and building efficient, scalable, and user-friendly systems. My skills span across problem-solving, coding, and creating innovative solutions to meet diverse software needs.

## WORKING EXPERIENCE

- Developed UI/UX skills through Final Year Project (FYP), creating a functional website with a focus on user-friendly interfaces and seamless user experience.

- Gained hands-on experience during a short-term internship at Heapware, contributing to web development projects and further enhancing technical skills.

## SKILLS

- Effective Time Management
- Teamwork
- Communication Skills
- Critical Thinking
- Continuous Learning

## EDUCATION

**Bachelor of Information Technology**     **2020 - 2024**

University of Punjab, Lahore

## RELEVANT COURSEWORK

**Full Stack Web development**     **2024**
